**NAU MAI, HAERE MAI!**

Learn more about our **FREE playgroup** for parents and whānau with tamariki aged between 3 and 5-years-old.

We meet Monday to Friday 9am to 1pm in Room 23 at Hora Hora Primary

## KIA ORA!

Te Manu Aute is a free playgroup for parents and whānau with tamariki aged between 3 and 5-years-old.

We provide a fun and enjoyable place for whānau to meet on a regular basis while also offering a range of educational activities to foster children's learning and development consistent with the NZ Early Childhood Education Curriculum - Te Whāriki.

We are based at Hora Hora Primary School which means tamariki get to socialise with students in the junior classrooms daily.

## OUR KAUPAPA - WHAT WE DO

- Whānau participation - we encourage whānau to come and see how the playgroup operates, to join in the daily activities, and see how learning is motivated through play.
- Fostering your child's interests - our daily activities are inspired by the interests of our tamariki.
- Building social skills - we like to focus on building our tamariki's social skills through a range of activities that build their confidence and self-reliance so they're ready for the transition to school.
- We are open five days a week allowing flexibility and choice of days within a busy week.

## GUIDELINES

- Sign in - on arrival please sign our book, this is in case of an emergency and also so we know who has visited.
- We work together - Te Manu Aute is run co-operatively so each parent or caregiver is responsible for the tamariki they bring.
- We value your input - your input with the children and the programme is valuable as children learn best when adults take an interest in their play
- What to pack - dress children in practical play clothes and bring some spares. Provide sun protection, bring some kai and their own drink. Please respect our healthy kai guidelines of no lollies or fizzy drinks.

## POSITIVE BEHAVIOUR MANAGEMENT

We encourage positive behaviour management

- Praise good behaviour - "I like the way you helped" or "that's great you're taking turns."
- Keep an eye out - Supervise children and be ready to step in before problems arise.
- Help children to resolve conflict - "what would be a better way?"
- Redirect to a more acceptable activity if necessary
- Help tamariki to express their feelings verbally
- Let your child know what you expect of them - sharing toys, playing nicely etc.
- Please no smacking, put downs, or yelling
